 ELISE GOKCE	MATHS	Middle school (year 7 to year 10)	elise.vaillant@ac-reims.fr	<p>I participated in some vocational trainings about inclusion and benevolent communication. I am fond of mixed-ability teaching, cooperative learning and very interested in comparative education.</p> <p>Maths and Sport are complementary topics ...</p> <p>Set up strategies to reach wellness at school makes part of my motivations as teacher.</p> <p>Both sport and inclusive practices are a mean to have access to this goal.</p>
 CHRISTELLE JUSZCZACK	SPORTS	Middle school (year 7 to year 10)	christelle.choain@ac-reims.fr	<p><u>Projects:</u></p> <ul style="list-style-type: none">. Mountain stay based on outdoor activities. objectives of collective life, mutual aid, solidarity.... Very dynamic college sports association where sports are practiced both in leisure and in competition.

MAILYS BOUVET	LITERATURE	Middle school (year 7 to year 10)	mailys.bouvet@ac-reims.fr	<p>Every year we organize several cultural projects with other colleagues: for example, in sixth grade we study the tales with a storyteller; we study drama with an actor and a theater director. With fourth-grade students we perform slam and with third grade students we make short films with the help of a movie director.</p> <p>With these projects we aim at giving them self-confidence, autonomy and open-mindedness. We always work during these projects with artists so we must always adapt our pedagogy.</p>
THIBAUT BOUSSIER	LITERATURE	Middle school (year 7 to year 10)	thibaut-pierre.boussier@ac-reims.fr	<p>Mailys organized several vocational trainings about writing and the pleasure of reading.</p> <p>Thibaut organized vocational trainings about movies and directing.</p>
