

LES FORMES - Jeu des 7 familles

Règle du jeu:

On joue suivant la règle classique commune à tous les jeux de 7 familles.

Le gagnant est celui des joueurs qui a posé devant lui le plus de familles complètes.

Les cartes étant distribuées totalement entre les joueurs, chacun d'eux, à son tour cherche à obtenir de ses adversaires les cartes qui lui manquent pour compléter une ou plusieurs familles.

La demande se fait carte par carte autant de fois que la carte demandée est bien dans la main du joueur sollicité. Quand ce dernier n'a pas cette carte, c'est à son tour de choisir l'adversaire à qui il compte prendre des cartes, et ainsi de suite...

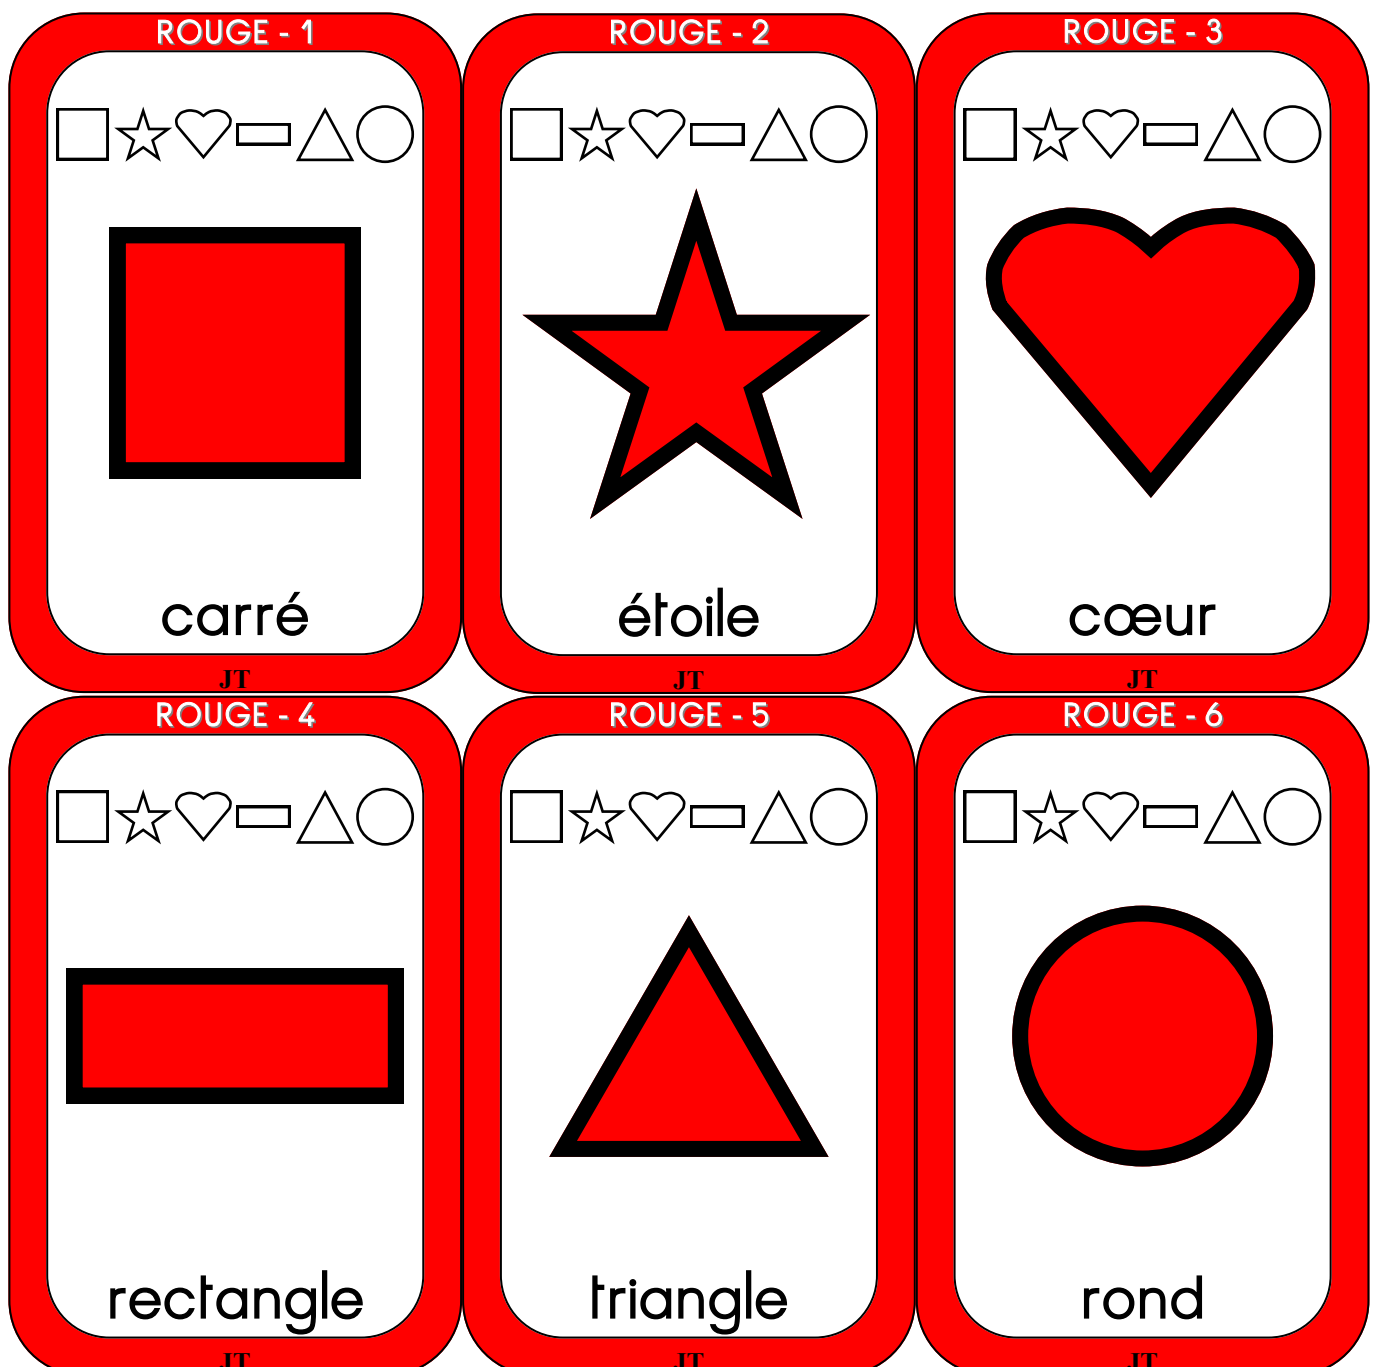

Bien entendu celui qui a remis des cartes peut les récupérer quand c'est à son tour de faire la demande.

Pour faciliter le classement des cartes dans la main, les 4 cartes de chaque famille sont numérotées.

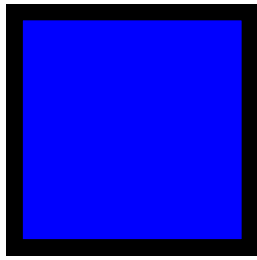

De plus, chaque famille a une couleur différente.

Variante avec des petits : poser les cartes, face en l'air sur la table pour jouer. Chaque joueur voyant le jeu de l'autre
